6	7	8	9	10	11	12
13	14	15	16—Youth Day	17	18	19
20—Fathers Day	21	22	23	24	25	26
27	28	29	30	<p>CLEAN GREEN TIP from Home-Dzine: Get rid of the harsh chemicals you use to clean tubs and toilets. Lest you think green cleaners can't do tough jobs, try this solution for clogged drains: pour a cup of dry baking soda down the drain followed by three cups of boiling water. If the clog doesn't dislodge, follow with a cup of vinegar. The fizzy reaction should overpower the most stubborn clogs.</p>
